

Calley Nye

Senior Software Engineer · Los Angeles, CA · calley.nye@gmail.com · linkedin.com/in/calleynye · github.com/syren

Summary

Senior frontend engineer with 10+ years of experience building accessible interfaces, real-time systems, and design systems. Focused on AI-assisted development workflows where inclusive engineering becomes the default path.

Experience

- **Independent / Calley Co.** — Senior Frontend Engineer, 2023–Present. Accessibility audits, frontend architecture, and AI product integration work for teams shipping production software.
- **McKinsey** — Senior Software Engineer, 2021–2023. Built real-time interfaces and advocated for disability-inclusive product decisions in recruiting technology.
- **Shopify ecosystem + agency/client teams** — Frontend Engineer, 2015–2021. Shipped consumer-facing experiences, optimized performance, and scaled reusable UI systems.

Focus Areas

- Accessibility leadership and WCAG 2.1 AA implementation
- Real-time UI architecture with WebSockets
- Performance optimization and design systems
- Consumer product delivery with measurable business impact
